MENU

2010

Dear Parents,
We have made changes to our menu, reducing the salt and fat by at least 30%! Our burgers are now healthier, our sausages are now leaner and our chicken chunks are now made from real chicken fillets. We have also . . .

MENU

. . . introduced healthier options for your children such as 1/2 a jacket potato instead of fries and milk instead of a fizzy drink. We will always have fresh fruit on sale and we will never salt our fries or wedges.

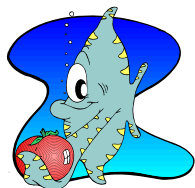

From the Galley Team.
